Forecast For East Midlands
Issued by Met Office Exeter
at 1600 on Wednesday 09 Jun 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Mainly dry and clear overnight. Sunny and warm on Thursday.

This Evening and Tonight:
Any remaining evening showers soon dying away. Then mainly dry overnight, with clear spells over eastern areas, where an odd fog patch may form. Cloudier to the west, with a spot of rain possible over the Peak District. Minimum temperature 14 deg C (57 deg F).

Thursday:
A generally dry and fine start, with plenty of bright or sunny spells developing across the region. Some isolated showers developing for a time through the afternoon, but feeling warm. Maximum temperature 27 deg C (81 deg F).

Outlook for Friday to Sunday:
After a cloudy start to Friday it will become dry and fine with long sunny spells through the weekend. Warm, feeling very warm by Sunday.
